

FRANK E. FORANT
103 E. Hampton Drive

My wife, Joann, and I moved into the Hamptons five years ago. We were married in Philadelphia 43 years ago. We lived in Bucks County, Pennsylvania for 30 years, before moving to Florida.

After graduation from high school in 1962, I attended LaSalle College Evening Division majoring in Accounting.

I joined the U. S. Naval Reserve in 1965 and served until 1971. I was on active duty from 1966 until 1968, serving on an Admiral's Staff in Newport, R. I.

I worked in the garment industry for over 30 years. I was the Production Control Manager And Systems Developer for Devon Apparel. After Devon Apparel, I worked for J G Hook, as their Director of Operations. I also worked for Leslie Fay, as their Production Manager.

At the age of 58, I was tired of taking the train everyday from Philadelphia to New York. I decided to leave the garment industry and took a job with the Pennsylvania Department of Revenue as a Revenue Enforcement Collection Agent. I worked in this job until I retired at the age of 75.

In 2022, I was elected to the Hamptons HOA as a director. As a director, I was the Chairman of the Recurring Events Committee, which took care of Bingo and the Can Crushing Shed. In midterm, I took over as the Secretary and stayed in that capacity for a year and a half. In 2024, I was elected President of the HOA and served for one year. After my term as President expired, I remained on the board as a director until I resigned in 2025 for personal reasons.

For the record, I also served as an HOA President in Bucks County, Pennsylvania.

I think I have a lot to offer and wish to get back on this board to help this community. If elected, I will respond to all phone calls and emails regarding community concerns. We have a team of four dedicated individuals running in this election. Your votes for Bruce Emmett, Grieg Bernard, and Gino Rankin would be greatly appreciated.
