

2025 PRIVATE CENSUS

The Hamptons Homeowners Association, Inc. (HOA) is a federally registered 501(c)(4) organization. It is incorporated under Florida Statute 723 and that statute designates our HOA as the residents' legal representative.

Many homeowners choose to join the HOA at a cost of about \$2.08 per month paid as one annual payment of \$25.00. The HOA is a powerful bargaining tool for all the residents, although some choose not to join, therefore lessening the power of the HOA has when meetings are held with the management company (Sun Communities).

Some residents have been in The Hamptons for many years, and some are new. Sun does not provide the HOA with an annual census of residents. For these reasons, the HOA is conducting a **private** census.

The census is solely for the use of the HOA to attempt to have an accurate listing of residents, their phone numbers and email addresses. Email addresses are not published but used only for HOA business communications and/or emergency messages to residents. Phone numbers are published in the directory. Indicate a preference for withholding any information below this form. Please list your information below. **PLEASE PRINT LEGIBLY.**
