

Hello Everyone,

My name is Greig Bernard. I have lived in the Hamptons with my wife Audrey for 3 years. Audrey and I have been married for 40 years, we are snowbirds here for 6 to 7 months.

I was born in Washington DC and grew up in the suburbs of Washington. I joined the local Volunteer Fire Department at 16 years old and remained there for 40 years. I held various positions including Assistant Chief and Deputy Chief for 10 years. I was employed by the Washington DC Fire and EMS department for 28 years, retiring with the rank of lieutenant. Some of my assignments included presidential details from 1990 to 2012. During those years I worked Presidential Inauguration and Presidential Details as well as working 9-11.

As a board member, my goal is to secure much needed emergency exit and entrance for residence, Fire and EMS and Police.

I would hope you find we have common objectives & I would appreciate your vote in the upcoming election. I will work to SERVE HAMPTON RESIDENTS! My strategy is to work diligently to develop a cohesive HOA board to work as a team delivering responses to your questions in a timely manner, provide a new accurate directory, manage the relationship with SUN, remain open to resident suggestions & update the HOA bylaws. Finally, our strategy is to request HOA Member feedback prior to voting on items.

There are four in our new team running for election that are dedicated to serving residents. Your votes for Frank Forant, Bruce Emmett, Gino Rankin & myself will be most appreciated.
