Golf anyone? With Summer upon us, please make sure everyone is staying hydrated! Heat exhaustion can sneak up on you. Good idea to keep a cooler on your cart with cold towels inside. Freeze the towels the night before you play so they stay nice and cold.

Tee renovations are complete and they look great.

We are gearing up for the upcoming season. We would love to hear some ideas you might have for additional tournaments. Please reach out to Ed and the team.

LET US HELP YOU SELL! We have some great incentives. Our sales fee has been reduced to \$3000! We have also increased our referral fee for our Brokered homes to \$250, and up to \$1,000 for our inventory homes. Wouldn't you love your family and friends to live within a golf cart ride of you!? If they buy a Sun listed home, you will receive credit on your ledger.

Home & Yard Maintenance; We have brought back Yard of The Month! We would love to hand you the next gift card.

Just a reminder, if you are gone for any length of time, please stop by the clubhouse office and fill out a "guardian from" this lets us know who is watching your home.

Also, with the water restrictions in place, you can still clean the exterior of your home. You can use 30 second cleaner or any other product that sprays on without the use of water to remove.

Walk around Wednesday's; Twice a month our team will be coming into the community and knocking on doors to talk with our residents. We will send out an email blast the Monday prior to what streets we will be visiting.

Upcoming Events: Stop by the office to get your tickets to the Halloween dance. We will also be doing a golf cart parade which will start at 5pm. Please come by 4:30pm to line up.

Thank you,

Todd

A FEW WORDS FROM ED

Busy Season is upon us and I would like to welcome all back to the Hamptons Golf and Country Club.

We have had a productive summer and the course is in excellent condition. In case you didn't notice, we've expanded and re-designed several Tee Boxes. Hole #1 Tee is 50% larger, Hole #11 has been lengthened and widened by 30%. Hole #18 rear Tee Box has been re-designed and shifted to re-direct shots more toward the fairway and lastly, Hole #16 forward Tee Box was leveled and is now 15% larger. In addition, we eliminated the hill on the right side of Hole #9 to give players a larger landing area in the fairway. We continue to improve our course so you can enjoy it and take pride in where we live and play.

Make sure you book early and often to secure your tee times this fall. We look forward to seeing you all on the course.

Note from Resident.

Thanks to everyone who dropped off cards or stopped in to visit Jean Sawdy for her 99th birthday in August.

**Thank you,
Jean**
